AMSTERDAM

**MEND**

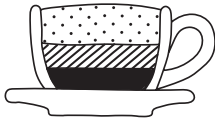

# ALOHA

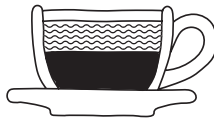

**A former cinema built in the roaring 20s now situates Coffee & Coconuts, a vibrant cafe and coffee roastery for you to enjoy the buzzing energy of the city and breathe in the relaxing vibe of - what seems to be - your ultimate holiday break.**

You'll notice Coffee & Coconuts is not just another coffee corner or deli. Our coffee roasting team is in full swing since January 2020 developing the original CC house blend, pour-over coffees and espresso. All of our products are of high quality and made together with local passionate people who love what they brew, bake or shake.
